JUROR QUALIFICATION FORM

Dear Prospective Juror:

Your name has been chosen at random and you are being considered for jury service in the United States District Court. Trial by jury is a fundamental right in our system of justice. Jury service is, therefore, both a right and a duty of every United States citizen.

Please complete this form, or do so online at the court's website noted above. Instructions for completing the form online accompany the online form. If you prefer to complete this paper form, you must complete both sides of this paper form so the court can determine whether you are eligible to serve as a juror under federal law. **Answer all questions, sign, date and return this form in the enclosed envelope or complete the form online within ten days.**

It is very important that you return this form fully completed or complete the online form within ten days. Otherwise, you may be legally required to report at your expense for completion of the form at the court.

If you are unable to fill out this form, either on paper or online, someone else may do it for you if that person indicates in the "Remarks" section why it was necessary for him or her to do so.

Do not attach anything to this form. Please write your comments in the "Remarks" section.
Do not ask to be excused by telephone.

If you are called for service, you will receive a reimbursement for mileage, and when applicable, lodging. Unless you are a federal government employee, you will also receive an attendance fee for each day of service.

Finally, if your address changes after you have returned this form, please notify us promptly online or through U.S. Mail, addressing it to "Attention: Jury Administrator" and sending it to the address set out at the top of this form.

Date _____

Questions 5, 6, and 7 – Criminal Record. A felony is a crime for which you could be sentenced to imprisonment for at least one year. If your answer to either Question 5 or 6 is "Yes," please show below: (a) date(s) of the offense(s), (b) date(s) of the conviction(s) (or date(s) of pending charge(s)), (c) nature of the offense(s), (d) the sentence(s) imposed (if a conviction), and (e) the name(s) of the court(s).

One is subject to disqualification from jury service only for criminal offenses punishable by imprisonment for more than one year. It is the possible sentence, and not the actual sentence, which determines your eligibility to serve on a jury. If you have been convicted of a felony, but are still eligible to serve on a jury (either because your rights were restored, or because your rights were never lost) you should enter comments here to show that you are eligible to serve. If you need additional space, please use the REMARKS section on the front of this form. **NOTE - Answer Question 7 only if your answer to Question 6 is "Yes."**

Question 8 – Your Health. If you claim a mental or physical disability, please explain here. If you have a disability that would affect, but not prevent, your service as a juror, please advise. If you need additional space, please use the REMARKS section on the front of this form.

Questions 9, 10, and 11 – Ethnicity, Race, and Sex. Your answers to these questions are required solely to avoid discrimination in jury selection and have absolutely no bearing on your eligibility for jury service. By answering these questions, you help the federal court check and observe the juror selection process so that discrimination cannot occur. In this way, the federal court can fulfill the policy of the United States, which is to provide jurors who are randomly selected from a fair cross section of the community.

Question 14 – Grounds for Excuse. If one of the categories listed below applies to you and you wish to be excused for that reason, fill in completely the oval for your category at Question 14. Please make sure you also give in the "Remarks" on the front of this form such information as may be requested within the excuse category. You may still be qualified to serve if the court determines upon review that you appear to be eligible for service. Other persons may be excused only by showing jury service would cause them undue hardship or extreme inconvenience.
