Upcoming ECF outages

Upcoming ECF outages

The Court's District and Bankruptcy ECF systems will be down on Saturday March 17th from 8:00am MDT until approximately 2:00pm MDT for database maintenance.

Additionally, our Bankruptcy ECF services will be down Thursday evening, March 22nd at 8:00pm until approximately 11:00pm Mountain Daylight time for system maintenance regarding the reassignment of cases to Judge Meier. If there are any emergency filings during that time, please call (208) 989-8646.

The Court will be issuing a General Order to address the case reassignments. Please watch the Court's news page for further information. Please also check the case dockets on March 23rd for any case formerly assigned to Judge Pappas to determine the current presiding judge.
