

Targeting Spanish-speakers

Our office is once again warning the public of a jury scam targeting Spanish-speakers (conversations entirely in Spanish) by calling them and telling them that they owe money for a fine because they failed to appear for jury duty. They can pay the fine by purchasing a gift card and transferring it to the court for payment. ***Do Not Make any purchases or provide payment of any kind. If you receive such a phone call, hang up immediately.***

El Distrito de Idaho anuncia una estafa que involucra a personas que actúan como empleados de la corte tratando de convencer a las personas de que paguen "multas" por no responder al servicio de jurado. Nunca lo llamaremos y amenazaremos con una multa, cualquier acción que implique multas por no presentarse se realizará en una sala del tribunal y nunca por teléfono.
